transform SC

tomorrow won’t wait for our students
What is TransformSC?

We are a business-led coalition of educators, parents, students and community leaders actively engaged in transforming public education.
Good News and Bad News

The Good News

☀ South Carolina’s graduation rates have risen from 60% to 77.5%

The Bad News

☀ 1 in 4 South Carolina Students fail to graduate.

☀ 41% of graduates entering technical colleges require remediation.
The current K-12 model is **badly outdated** and **cannot produce the learning required** of our students in the 21**\textsuperscript{st}** century.
PARENTS:

74% Like their school, but believe we need to re-think how public education works to improve it.

78% Believe teachers are pressured to “teach to the test.”

New Learning Models

- **Personalized** – match to the student, not one size fits all.

- **Teacher as facilitator, not lecturer** - Students are held accountable for their own learning.

- **Pace to the Individual Student** – Students progress after mastering concepts.

- **Technology enabled** – Anytime, anywhere learning with technology integrated into the curriculum.

- **Evidence based** – new testing system that provides real-time, useful information to aid learning.

- **Effective partnerships** with parents, families and communities.
