

Sec. of State Registration Exemption Statement

FY 2026 - 2027

PTA/PTSA Unit Name _____

As a PTSA that raises funds entirely on our own and without any Professional Fundraisers or Solicitors, as defined in the S.C. Code of Laws §33-56-20(9) Title 33 Chapter 56, we are not required to register with the Charities Division of the South Carolina Secretary of State.

We are aware that, if this changes and we decide to work with a Professional Fundraiser or Solicitor, we will need to submit the required registration application and fee to the South Carolina Secretary of State prior to engaging in any Professional Fundraising activities.

We acknowledge that we have been advised of the South Carolina Secretary of State's registration requirements and that the South Carolina Congress of Parents and Teachers (SCPTA) will not be responsible for any fines we may incur should we fail to meet these obligations.
