Dear PTA & PTSA Presidents,

The South Carolina PTA is excited to provide MemberHub, a FREE online tool for all local units! MemberHub puts all your tools in one. Member Hub provides the opportunity to track your unit's membership, bylaws, financial reviews and IRS requirements.

MemberHub will email you on **August 1st** with your login and steps to complete your account setup. We encourage you and your membership team to participate in our scheduled trainings. You can do this in the comfort of your home, office, school or in a board setting.

You have a choice of three dates for the orientation and online video training to introduce you to MemberHub. These are hosted by various SCPTA Executive Board Members and MemberHub.

Please try to attend one of the following trainings. If you can't attend, we will record and post them on our state website.

**Saturday, July 28, from 10:00 AM - 11:00 AM ** Special Session for early adopters!  
**Monday, July 30, from 11:30 AM - 12:30 PM**  
**Tuesday, July 31, from 6:30 PM - 7:30 PM**
