The South Carolina PTA would like to extend our deepest condolences on the passing of Joan Purvine. Joan served as SCPTA President from 1977 to 1979. Words cannot begin to express the sadness we feel for the family's loss but her desire to be of service to others has touched many lives. Our heartfelt sympathy and love to her family during this difficult time.

"The Remembrance of the good done by those we have loved is the only consolation when we have lost them." – Demoustier
