Take a walk! Buy a brick!
Help us create your Unity Walk with your engraved brick!

The South Carolina PTA's Historic House Committee began working on the preservation and restoration of the South Carolina PTA house in 2007. The PTA House is the official office of the South Carolina PTA. The House serves as a communication center for SCPTA leaders and staff to be connected with PTA districts, local units, and individual PTA members. It is:

- listed in the National Register of Historic Places,
- designated a Bicentennial House by the Richland County Bicentennial Committee,
- House #43 in the Landmark District of the City of Columbia, and
- on the walking tour for visitors in the City of Columbia.

The Unity Walk
Your engraved brick will convert this damaged front sidewalk into a beautiful walk, celebrating all PTA/PTSA families and friends.
Who can participate?
Anyone: local PTA/PTSA units, District PTAs, educators, vendors, business partners and individuals. Bricks can be engraved in memory of a loved one or in special recognition of an individual or group.

Carve a historic spot for your PTA/PTSA on the Unity Walk!

About Your Brick
A generous print area allows up to 4 lines of print with 21 characters per line.

Order Now!
Each brick, measuring 4" x 8", costs $50. Complete the order form and mail the form with a check (payable to SCPTA and memo to Historic House Fund) to:
